

OUR PLAN

1-An awareness raising study will be carried out to provide supervised,limited and purposeful use of internet to families and children.

2-It is stated policy to promote and spread the packages related to the safe use of the internet.

3-It is encouraged to use of limited internet packages at homes.

4-Priority will be given to this subject in the lessons to raise awareness.

5-Seminars will be given to the students and parents.

6-Secure Internet wall panel will be prepared in our school.

7-Policies that prohibit parents and students from entering the school with their phones are applied.

8-It is decided to celebrate every 10th February as "Secure Internet Day" in our school.

9-We aim to reach more people by delivering hand brochures.

10-Necessary restrictions and prohibitions will be introduced in order to protect our student from the dangers and harms of the internet environment.

11-Necessary precautions will be taken to obey the rules providing for all stakeholders to control the internet usage in the school.
